

# The Magical Beeley Bugs – Interactive Resources Sheet

Please ask an adult to help you before you start.

## Actions for you to do during the story

### The Beeley Bugs Dance:

Throughout the story, whenever the beeley bugs dance, you can join them by doing your own dance. Clasp your hands behind your head and move your elbows back and forward as you dance, swaying from left to right and moving your weight from one foot to the other as you turn on the spot.

### The Beeley Bugs Become Invisible

Clasp your hands behind your head and then fold your right elbow in front of your face. Repeat with your left elbow. Crouch down to the floor.

### The Beeley Bugs Song (action in red)

“We are the beeley bugs. Hee, hee, hee” (Beeley bug dance as above)

“We are magical as you can see.” (Make circles by touching the tip of your thumb to the tip of your index finger (on the same hand) and look through the circles.

“We have amazing secret powers.” (Place a finger across your lips as if you are saying ‘shh’.)

“We make brightly coloured flowers.” (Jazz hands by your head)
